4 Meeting Content

The group shall highlight and clarify with the client on the following items:

4.1 Review of previous minutes

The chair will give a brief review of the last minutes.

4.2 GUI Demo

The group will showing a mock demonstration of the GUI on a computer. The purpose being to show how it will work on hardware. This may not be integrated with the robot yet.

4.3 Map Clarification

1. Will the initial home coordinates be known as well as which direction is north?
2. How big will the circles be?
3. What colours other than red, yellow blue and green would we need to detect?
4. What form will the home base take?
5. Are there any errors of our terrain that need correcting?

4.4 Milestone Freeze - Week 10

We will be outlining our milestone deliverables fort week 10.

4.5 Mid-semester Break

We will be outlining the tasks that we will be working on over the mid-semester break.

4.6 Any Other Business

Anything else that was not outlined in this Agenda can be raised here.

5 Next Meeting

Note: Next meeting to be held at **3:30pm** on **6 October, 2015**.
